The Michigan Art Guide helps **art lovers** and collectors find galleries, art fairs and artist studios all over the state.

These folks also enjoy exploring the arts, culture and dining in the regions they're visiting. You can **promote your region** to these "art travelers" by running a display ad in the Art Guide.

Use your display ad in the Michigan Art Guide to **tell your story** and encourage our touring art lovers to take advantage of what your region has to offer.

"We just love your publication and so do the artists that display here. You just do things right and have a superb publication."

~ Ken Wright
