STUDIO ARTIST PHOTO LISTINGS

Now in its 7th year, the Michigan Art Guide is the “go to” guide for art lovers and collectors who use the Guide to find studio artists, art galleries and art fairs all over the state. **50,000 copies** of the Art Guide are distributed free of charge to art lovers all over Michigan and to visitors as they enter and travel around the state.

Promote Your Art to over 50,000 Art Lovers

Your Studio Artist Listing features a **color photo** of your best work, along with **contact info**. Our 50,000 readers can then contact you or visit your website to **find out more about you and see more of your work**. Then you can let them know which **galleries** they can visit to see your work, at which **art shows** you'll be selling or **how to purchase work from you directly**.

Studio Artist Listings are available only to Michigan based artists who create original art and/or fine craft. (People who sell imports, resale items or items made from kits are not eligible.)
